- ✓ **We turn up when we say** - a booked time, a text when we are on our way, and a heads-up the moment we run late.
- ✓ **We clean as we go** - dust sheets down, boots off, tidied up as we move room to room.
- ✓ **Done right, and guaranteed** - every circuit tested and certified, backed by a written 10-year guarantee. No VAT, materials at cost.

"Dorset Rewires were brilliant from start to finish. Great communication, turned up when they said they would, and carried out the work to a really high standard. Everything was left tidy and they were professional throughout. Would definitely recommend and use again."

Your Right to Cancel

Please keep this with your quotation - it sets out your legal cancellation rights

Because we agreed this work in your home or at a distance (over the phone, by email or from an online quote), you have a legal right to change your mind and cancel. This notice explains that right and how to use it. It goes with, and forms part of, your quotation.

1. Your 14-day right to cancel

You have the right to cancel this contract within **14 days** without giving any reason. The cancellation period ends 14 days after the day you agreed to go ahead with the quotation.

To cancel, just tell us clearly that you have decided to cancel - before the 14 days are up. You can:

- email **info@dorsetrewires.co.uk**,

To meet the deadline, it is enough to send your message before the cancellation period ends.

3. If you cancel

We will refund all payments we have received from you within **14 days** of you telling us you want to cancel, using the same payment method you used, at no cost to you - unless you have asked us to start the work early (see the box below).

Starting the work within the 14 days (optional)

If you want us to book you in and start before your 14-day cancellation period ends, the law says we need your written go-ahead. Only tick and sign this if you are happy for us to start early.

☐ I ask Dorset Rewires to begin the work before the end of my 14-day cancellation period. I understand that if I cancel after the work has started, I must pay a fair amount for the work already done, and that once the work is fully completed I will no longer be able to cancel.
